Legends and Legacy Awards 2010

Do you know a woman who has made our community a better place, or has improved the lives of others right at home or around the world?

Nominate her for our Legend Award -

These awards will be presented to five women at the Legends & Legacy Gala to be held April 10, 2010 at Tangle Creek Golf Club

Five women will be chosen by a committee, from the nominations received. We will be honouring women who have enriched and enhanced the lives of others and/or shown incredible courage facing a challenge. It could be someone who is a role model for women or has been your mentor, or someone who has extended their hand in friendship to you at a troubling time in your life. This woman could be a friend, your neighbour, your sister, your mother or someone who has touched your life in some way.

This event will embrace women in our community who have left a legacy, while becoming a 'Legend'. Legends can be women of any age from youth to a special senior.

Briefly describe the individual on the nomination form attached, in 400 words or less. Please include information that will inform the committee on how the individual has influenced your life and why you feel they should be selected as a 'Legend'. What personal traits do they have that makes them special? What needs or issue did she recognize and what action did she take to address the situation? Did she encourage others by being a mentor or a role model? What accomplishments has she made as a woman and what difference has she made to her neighbourhood or community. Why do you feel she is a legend? Please provide any other information you feel is beneficial to the support of your nomination.

- ❖ Nominations will be accepted until February 26, 2010.
- ❖ Please email nomination to krista.richards@rogers.com marked Nomination Legends and Legacy or Fax to 705-726-9043
